

MEET THE POCKET POUROVER.®

QUALITY COFFEE, ANYWHERE

Created by two Eagle Scout brothers who got tired of instant coffee, the Pocket PourOver by Kuju Coffee is the original one-cup, portable drip coffee so you can enjoy quality coffee – anywhere.

ETHICALLY SOURCED

Coffee primarily sourced from a family farm in Thailand that employs former victims of sex-trafficking

SPECIALTY-GRADE

Only the highest quality coffee to make for a delicious and flavorful cup every time

1% TO NATIONAL PARKS

1% of each Kuju Coffee purchase is donated to the National Park Foundation

HOW TO BREW THE POCKET POUROVER.®

OPEN

Pull filter out of pouch and tear open along perforation.

ANCHOR

Secure filter to any size mug with Steady-Safe™ anchors.

POUR

Brew with 200°F water and pour over coffee grounds. Let drip and repeat until 8oz is brewed.

ENJOY

Take a moment with a cup of Kuju Coffee.

QUALITY IS NEVER INSTANT.®
